

Prevent the spread of infection by maintaining high standards of hygiene, including hand washing and regular cleaning and disinfection of surfaces. This will help prevent Covid-19 spreading, as well as other infectious diseases.

GUIDANCE: Visit [gov.uk/coronavirus](https://www.gov.uk/coronavirus) for detailed guidance, including cleaning and the use of Personal Protective Equipment (PPE). The list of main COVID-19 symptoms can be found at: <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>

- Please click on the links or the forms can be found at

A positive LFD triggers a legal duty for the case to self-isolate. A confirmatory PCR test should then be taken within 48 hours to confirm a positive LFD test.

If that PCR test comes back as negative then the isolation period for the case can come to an end, but only at that point.

Local Authority Contacts (Mon-Fri):
 All CYP Settings – 01473 263 942
CYPC19@suffolk.gov.uk

For emergency out of hours contact – 01473 433 444
