

## SCHOOL LIAISON OFFICER

### About me:

In 2002 I joined Suffolk Constabulary as a Special Constable . In 2005 I moved on to become a Police Officer. I started my career Mildenhall. I transferred to Bury St Edmunds in 2008 to continue my career as a response officer. I spent 11 ½ years on response attending 999 calls.

In 2016 a new department was created and I moved to the Neighbourhood Support Team where I processed non-urgent calls to the Police. Later on that year I moved to Safeguarding Unit.

In 2019 I returned to the Safer Neighbourhood Team at Bury St Edmunds where I undertook the role of a Link Officer which focused on working within the community and creating strong links with our partners.

I feel that the roles that I have undertaken throughout my career has provided me with the skills and opportunity to take on this new role in the South.

I am looking forward to working in partnership with Further Education sites in the South to help educate, safeguard and promote Suffolk Constabulary.

I am looking forward to engaging with young people across all 16 Plus educational settings. Building relationships between young people and Police helping them make the right choices.
