

# Effective Supervision

This one and a half hour virtual training aims to help those who carry out regular supervision meetings with staff in early years settings, including committees. Understand the statutory requirements and look at ways to ensure supervision meetings are efficient, supportive and effective. You will have an opportunity to reflect on your record keeping to ensure that your supervision records provide the evidence for quality assurance of practice whilst reflecting the impact of any professional development undertaken.

## Learning objectives

- **To understand the purpose and statutory requirements of supervision**
- **Reflect on how successful peer observations can support the supervision process**
- **To consider strategies to ensure an efficient and fully supportive supervision process is undertaken**
