

Safer Recruitment Practice

Specifically for managers, leaders and relevant committee members working within Early Years PVI settings, this virtual training will enable you to fulfil your statutory obligation to ensure you employ staff and volunteers who are deemed suitable to work with children. The session will support you to understand how to implement safe recruitment and selection practices in order to safeguard the children and staff.

Learning objectives:

- understand the stages of safer recruitment, from advertising the position to induction of the new staff member.
- create a safer culture in your early years provision.
- understand how to manage allegations against staff.
