

# Signs of Safety Awareness

This 2 hour virtual training will introduce you to the Signs of Safety framework and approach used in Suffolk. This framework encourages practitioners to be professionally curious and support parents, carers, colleagues and other professionals by using a solution focused approach.

## Learning objectives:

- \* understand the Signs of Safety framework and approach.
- \* think about how this approach could be used in Early Years practice.
- \* understand how this approach helps you work in partnership with children, parents, families and other professionals.
