

# Your Team – working together

This fun interactive 3-hour course, delivered face-to-face in your setting, aims to motivate whole teams to strive to be truly effective. What type of team are you? What are your key values and principles? How can you all contribute to the team and bring out the best from each member? The team will consider ways to approach challenges and how to work through any barriers which may prevent improvement to practice.

## **Learning Objectives:**

- describe key elements that make up an effective team
- explain 'change', and how this may affect teams and individuals
- identify strategies to develop their team to become more effective
- Understand their own role within the team and reflect on what they need to know/do to fulfil this
