

Good Morning all!

Thank you for inviting us to share an
update about Suffolk Parent Carer Forum

Open Forum Event

Our Open Forum event was held on Friday 6th May 2022 at The Mix in Stowmarket.

It was wonderful to have the opportunity to discuss any concerns or feedback with members and find out what else we can do as a forum to better represent your views and experiences.

We were joined by representatives from:
PACT, BEANS, Sendiass, the Vaccine Inequalities team, Suffolk County Council, CYP Engagement Hub, Healthwatch & Suffolk Carers Matter.

Thank you to those of you that attended and supported the event.

If you would like to see more about the event, please visit:

EGM Results

The Management Committee called an Emergency General Meeting initially on Friday 29th April 2022.

The reason being was to propose a change of the Forum's structure and governance from an **Unincorporated Association** to a **Charitable Incorporated Organisation**.

Unfortunately, this meeting fell a few short of the required quorum to vote on the proposal.

A reconvened meeting was then called for Thursday 12th May 2022.

At this meeting we were about to get the total required members for the quorum to vote and the motion was passed to change SPCF's structure.

We will update further when we have more information as to when and how the official change will take place.

What's next for SPCF:

6th June 2022
Zoom

We will be holding a SENSory Processing Virtual Coffee Morning
run by Occupational Therapist Lynda Niles

We invite you to join us at our
SENSory Processing Virtual Coffee Morning

on
Monday 6th June 2022 from 10:00am to 11:30am

Lynda Niles is an Independent Occupational Therapist providing interventions specifically for children with neurodevelopmental difficulties and specialising in Sensory Processing Difficulties.

This Zoom morning session will provide an opportunity to explore:

- What is Sensory Processing?
- Hints, tips and ideas for dealing with Sensory Processing Difficulties
- A key SP resource, piece of equipment or a sensory tool
- A book, website or other helpful resource
- Opportunity to ask questions of a Specialist Sensory Processing OT

This is a members only event, please email to book:
