During the school holiday period we expect to see a reduction in engagement with parent carers as this is a period of high caring commitment.

Although there was a decline in views and reach, we did see an increase in the Facebook Page likes and follows.

SPCF Events:

We will be holding an Accessing Public Services Workshop run by Cerebra:

We invite you to join us at our virtual Accessing Public Services Toolkit Workshop

Hosted by Cerebra – A charity dedicated to those with Brain conditions.

Tues 1st November 2022 from 12:00pm to 2:00pm

The aim of the workshop is to support families who are encountering difficulties in relation to the provision of health, social care and education support services. The workshop isn't about giving legal advice or solving individual issues, but about general strategies that parents can use to get the services that they need for their child and family. By the end of the workshop you will be able to:

- Identify commonly occurring problems facing families accessing services and recognise different types of dispute
- Come up with problem-solving approaches to these problems
- Use a number of template letters when corresponding with public bodies

The workshop includes working on a case study.

A pack is required to attend the workshop so booking will close on 23/10/22
