Collection of 2024 Key Stage 4 Provisional Results

Dear Colleague,

As in previous years, we are asking you to send the Local Authority (LA) preliminary results from Key Stage 4 (KS4) exams to enable us to form an early county wide view of performance.

As soon as we have collected provisional results from all schools, we will provide you with the county picture as in previous years.

The LA figure will also be shared with NCER who are once again collating aggregated county level information to produce an early indicative 'national' figure, which we will also be able to share with you on the day. This will be LA level data only - no individual school data will be shared with NCER.

I would be grateful if you would arrange for the attached KS4 spreadsheet to be completed and returned to us as soon as possible on **Thursday 22 August 2024**. These can be returned by e-mail to richard.burbage@suffolk.gov.uk. We will collate all the returns and email them out to participating schools at 1pm and 4pm on Thursday 22 August 2024 and 10am on Friday 23 August 2024.

Returned information is for your internal use only and not to be shared.

A copy of this letter and spreadsheet has been placed on the Suffolk Learning website: [KS4 and KS5 August Returns – Suffolk Learning](#).

Many thanks in advance for your efforts. Your timely returns will enable us to respond to requests from the media on the day and also for us to provide you with a county wide picture as soon as possible on Thursday 22 August 2024.

Yours sincerely,

Richard Burbage
