Love your

Since the Suffolk TA Network launched in early 2021, we have continued to grow and now have a thriving membership of over 500 colleagues from over half the educational settings in Suffolk. Please continue to share the word about our professional network so all pupil-facing support staff in the county get the opportunity to benefit from membership.

I am constantly looking at ways I can develop and improve the Suffolk TA Network offer and am currently planning for the 2024/25 programme. Please contribute your ideas by completing this Impact Survey: <https://forms.office.com/e/nkYBHXB6ta>

Specialist Networks

Our dyslexia and C&I networks allow you to connect and collaborate to share ideas, resources, and support. Each session is based on a theme and includes a specialist input to develop your skills and knowledge.

Here are some of the things our members have had to say about sessions:

“I found the session really enlightening.”

“I learnt so much and filled my notepad up with ideas and information I was given.”

“...it definitely renewed by confidence in being able to plan and deliver literacy interventions.”

Complete this short survey to help us to plan our specialist network programme for 2024/25 so that it meets your professional development needs and the needs of the pupils you support: <https://forms.office.com/e/EG9TC6N2CC>

See pages 5 & 6 for more details of this year’s specialist networking offer.
