

Suffolk TA Network is part of Suffolk's graduated response, supporting and promoting the work of teaching assistants, and other pupil-facing support staff, across the county through a range of training and networking opportunities.

Membership of the Suffolk TA Network is free for any pupil-facing support staff in Suffolk-based education settings. All members receive a half-termly newsletter via email and access to a range of training and networking sessions.

The training and networking programme for 2024/25 so far...

- Judith Carter 'Essential SENCO Toolkit' introduction sessions – 7Cs and Four Functions of Learning Support
- Judith Carter 'Essential SENCO Toolkit' embedding sessions – mediation and assessment
- Signs of Safety Plus (SOS+), including 'Applying a Trauma-Informed Lens' & 'Restorative Practices for Working with People'
- A range of specialist networks: Specific Learning Difficulties (SpLD), Communication and Interaction (C&I) and Special Education Units (SEU)

New Website

All training and networking dates and booking information can be found on our new Suffolk TA Network pages on Suffolk Learning
