

Intervenor Service Assessment Pathway

For CYP referred to the MSI Teacher who then collaborates with the Lead Intervenor for the Intervenor Service.

An initial meeting to be arranged in the education setting with the CYP, family, senior leadership representation, class teacher, Specialist Teacher for Multi Sensory Impairment and Lead Intervenor.

Specialist Teacher for MSI and Lead Intervenor will observe over the six week period and have discussions with teachers and class staff.

Observations and Information carried out by other professionals working with these CYP, including any Sensory Support Practitioners who have been working in the home.

Child supported in school by the Intervenor Service.

In school support. Training provided in school, CYP remains on MSI caseload.

Every case is reviewed annually during the EHCP Annual Review as organized by education setting.
